U.S. SENATE VOTES FOR REPEAL OF BAN ON EXPORT OF ARMS

Measure to Permit European Belligerents to Buy For Cash American Products of Any Kind Now Goes to House, Where Passage by Small Majority Is Predicted

WASHINGTON, Oct. 27 (AP).—Voting overwhelmingly to repeal the arms embargo, the United States Senate tonight approved the Administration's neutrality bill and sent it on to the House of Representatives where proponents of the measure claim a small but safe majority.

The 63-to-30 vote was the climax of four weeks' debate and a discussion which has raged throughout the country since war broke out.

MAY BUY FOR CASH

The bill would permit the European belligerents to buy United States products of any kind, with the restriction that in general they must pay cash, may borrow no money here, and must provide foreign ships for transporting their purchases across the Atlantic.

Further, it is intended to insulate the United States from the war by laying down conditions designed to prevent "incidents" likely to inflame public opinion or tending otherwise to drag the country into the conflict.

For this purpose it forbids United States ships to sail for belligerent ports in the danger areas or to

COLD SPELL IN ALBERTA OVER

Chinook Wind Welcomed by Prairie Dwellers—Highways Reopened

CALGARY, Oct. 27 (CP).—Alberta's six-day-old cold spell broke this afternoon as temperatures rose swiftly with the arrival of a melting Chinook wind. Where ice and snow had hampered motorists since Sunday water flowed freely and pedestrians were forced to detour around large puddles on sidewalks and at intersections.

Stockmen welcomed the coming of the Chinook, hopeful that the warm weather would continue for several days. A sudden freeze-up now would put a heavy crust on top of the snow and it would then become necessary to put stock on winter feed, as it would be impossible for them to break through the crust to graze.

The Chinook extended over a wide area. Despite the fact that road gangs have been hampered by snow ploughs breaking down at regular intervals, all but one main highway was open late today.

F. J. Graham, district engineer of the Provincial Department of Public Works, stated that a snow plough had broken through a snow drift, while another machine had opened the West Road to Banff. East highway between Strathmore and Gleichen was still blocked, but it was believed it might be open by Saturday morning.

One plough, which was used on the East Road, has been stranded at Strathmore, where it broke down, while the others, which have had to stop for repairs on a number of occasions, are continuing road clearing.

Two Persons Lose Lives in Car Accident

WASAGA BEACH, Ont., Oct. 27 (CP).—Gertrude M. Small, sister of Ambrose J. Small, Toronto, who disappeared in 1919 provided an unsolved mystery, drowned today when an automobile plunged into the Nottawasaga River.

Her body was recovered and police continued searching for the body of Warren Bell, forty-four, of Midland, her companion in the car.

Disappearance of Miss Small's brother twenty years ago became a continent-wide sensation. He walked from the Grand Opera House in Toronto, December 2, 1919, and was never seen again. A fortune was spent in the search.

FLEET IS SIGHTED

STOCKHOLM, Oct. 27 (CP-Havas).—A fleet of German warships, led by a light cruiser, was sighted today in the Baltic, off the Swedish islands of Oland and Gotland.

War Against Nazi Germany Crusade For All Civilization

Canada's Prime Minister Says Those Enlisting in Services Are Defenders of the Faith Battling To End Forceful Aggression and Also Preserve Democratic Ideals

OTTAWA, Oct. 27 (CP).—The war against Nazi Germany is a "crusade" to save Christian civilization and those enlisting in the services are "first and foremost, defenders of the faith," Prime Minister Mackenzie King declared in a broadcast address tonight.

HOPE TO AVERT INDIAN CRISIS

Door Believed Still Open for Consultations on Dominion Status Demand

DELHI, India, Oct. 27 (CP).—Hope of averting the Indian crisis still prevailed tonight despite resignation today of the Congress Ministry of Madras.

Optimism was based on Sir Samuel Hoare's speech in the British House of Commons yesterday. The Lord Privy Seal's statement was interpreted as leaving the door open to further immediate consultations between Lord Linlithgow, the Viceroy, and Congress spokesmen demanding Dominion status for India.

The Madras Ministry was the first of eight Congress-controlled state Governments to follow the resignation orders given last Sunday by the party's working committee in protest against Lord Linlithgow's promise to consult on Dominion status after the war.

DEFERS ACCEPTANCE

The Ministry will stay in office for the time being, however. An official statement, said Lord Erskine, Governor of the province, advised Premier Rajagopal that he could not accept the Ministry's resignation until he had time to make other arrangements to carry on Government affairs.

Resignation of the Congress Ministry of Bombay was expected during the week-end. Following the example taken at Madras yesterday, the Bombay Legislative Assembly today adopted a resolution condemning the British government's India policy as stated by the Viceroy. The vote was ninety-two to fifty-six.

Fighting Increases In Intensity Along The Western Front

Nazis Reported in Six Great Concentrations Along Hundred-Mile Line—Telephone Communications to and From Germany Restricted

PARIS, Oct. 27 (AP).—Clashes of increasing intensity between German and French combat patrols were reported tonight on the Western Front between the Rhine and the Moselle Rivers.

Reports from the front said the Germans were strengthening their position, said to be passing from a preliminary reconnaissance phase, in which groups of four or five scouts were used, to action involving combat patrols of about fifty men. The fighting was about equally divided between French and German soil and carried on in bitter cold weather.

The night communiqué told of increasing activity of advance guards in contact along the 100-mile front and added that artillery fire from both sides was increasing.

The French studied carefully reports from their intelligence service on German troop dispositions. These reports said the Nazis were in six great concentrations running from the Swiss frontier to Denmark with one in reserve.

Disposition of the Germans was reported to be about as follows: The southernmost group facing the Swiss frontier and extending northward; and added that artillery fire from both sides was increasing.

TWO GERMAN OCEAN RAIDERS SINK THREE MERCHANTMEN IN MONTH'S FREEDOM ON SEAS

War News In Brief
Pocket-Battleships Admiral Scheer and Deutschland Ordered Tracked Down—Food Minister States Britain's Supply Is Growing—Foreign Commerce Returning to Normal

No Shortage Is Implied by Provision for Food Rationing

LONDON, Oct. 27 (CP).—Fear of British patrols is evidently keeping two of Germany's 10,000-ton pocket battleships—the Admiral Scheer and the Deutschland—off the crowded shipping routes. The Admiralty, nevertheless, has issued orders to track them down.

These two ships have been at sea a month, naval authorities disclosed tonight, but have sunk only three vessels, two British and one Norwegian.

The Deutschland operated off Newfoundland in the early days of this month, but the only reliable report of the Scheer placed her in the South Atlantic on September 30, authorities said. There is a possibility the Scheer has rounded Cape Horn into the Pacific or steamed into the Indian Ocean.

Naval authorities said they had no confirmation of reports that the German cruiser Emden had slipped through the Allies' North Sea patrol.

FINANCING PLAN FAILS

Germany Abandoning Tax Certificates Issued Against Future Obligations

AMSTERDAM, Oct. 27 (CP-Havas).—Abandoning attempts to finance her war burden by tax certificates issued against future obligations, Nazi Germany has moved to reserve the country's entire capital market exclusively for state-controlled loans, according to reliable reports reaching The Netherlands.

After six months' trial Berlin has admitted failure in its plan to meet current expenses by deducting future taxes, the reports said. Under this scheme the Government paid manufacturers working on Government orders in certificates up to 40 per cent of the face value of their bills. The certificates were accepted in return as payment of taxes over a period of thirty-two months from the time they fell due.

TO FLOAT BIG LOAN

This system of government finance is to end formally November 1, according to the reports. Two days later the state-controlled German railways will float a \$60,000,000 mark loan to finance construction of lines and rolling stock needed to extend the German system and co-

Plane Hangar To Be Built At Ucluelet

OTTAWA, Oct. 27 (CP).—Accommodation for planes of the Royal Canadian Air Force will be increased on the Pacific and Atlantic coasts, it was announced here today. The Defence Purchasing Board called for tenders for construction of five hangars in British Columbia and a dozen at Air Force Stations in Nova Scotia.

Seaplane hangars will be built at Alford, Coal Harbour and Ucluelet in British Columbia. Two single land plane hangars will be constructed at Patricia Bay.

German Prize Crew On Way to Hamburg With City of Flint

Seized United States Freighter Reported Making Precarious Voyage Along Norwegian Coast—American Seamen May Be Landed at Bergen

BERLIN, Oct. 27 (AP).—The United States freighter City of Flint, which Germany claims as a war prize, was reported tonight to be making a precarious voyage down the North Sea toward Hamburg in the hands of a German crew.

Official advisers here said the vessel left the Russian port of Murmansk where she was taken by a German prize crew put aboard by the pocket battleship Deutschland—promptly after she was released by Soviet authorities.

Possibility more adventure lay in store for the City of Flint was conceded in naval circles here. The Germans, presumably guarding the ship with submarines and other naval vessels, were said to recognize dangers of trying to slip through the British blockade but were counting on bad weather and poor visibility as well as their submarine defence to bring the Flint into a German port.

ON NORWEGIAN COAST

Official advisers said the small freighter was somewhere along the Norwegian coast tonight heading into the British blockade area.

If she reaches Hamburg a prize court is to decide whether her cargo will be confiscated under the contraband law or returned to its owners. (Reports reaching Stockholm on Thursday said the cargo had been unloaded at Murmansk.)

The prize crew was expected to

BUYING COPPER FROM DOMINION

Britain to Take Four-Fifths Of Canada's Current Output of Metal

OTTAWA, Oct. 27 (CP).—Major Canadian copper producers are concluding agreements with the British Ministry of Supply to supply 420,000,000 pounds of electrolytic copper over an approximate period of one year for Great Britain's wartime requirements, the Prime Minister's office announced tonight.

This amount represents approximately 80 per cent of the current output of the contracting producers. Adequate provision has been made for protection of domestic requirements, the announcement said.

The contracting producers and the amount to be supplied by each follows: International Nickel Company, 237,700,000 pounds; Noranda Mines, Ltd., 60,700,000; Hudson Bay Mining and Smelting Co., 50,700,000; Sherritt-Gordon, 23,800,000; Waite-Amulet, 23,800,000; Aldermere, 7,900,000; and Normetal, 6,400,000.

ORDERS WORTH MILLIONS

The announcement said the price approximates that prevailing at the outbreak of war.

On September 2, the day before the outbreak of war, the price of electrolytic copper in North American markets was approximately 11 cents a pound, making the first year's order from the British Government worth \$46,200,000.

Delivery will be made at Canadian ports with costs and risks thereafter assumed by the purchaser. Payments will be made wholly in Canadian currency.

DROUGHT RAVAGES U.S. WHEAT BELT

Crop in Five States in Worst Condition in Fifty-Five Years—No Relief Seen

CHICAGO, Oct. 27 (AP).—Clearing skies in the United States Southwest today dashed hopes that the rich winter wheat belt would produce a normal-sized crop for 1940 harvest.

The great fall drought of 1939, now well in its third month in the heart of the belt where the bulk of the United States surplus bread grain is raised, has spread over Kansas, Nebraska, Oklahoma, Texas and Colorado.

Veteran crop observers said the winter wheat crop is in worse condition than during the last fifty-five years at this time of year.

Ground Wires Cause Concern to Aldermen At Council Meeting

Technical Questions Regarding Removal From Poles to Be Submitted to Civic Employees and Provincial Inspector for Detailed Answers

SIXTEEN technical questions involving the removal of B.C. Electric Railway Company, Ltd., ground wires from the bases of poles were referred by the City Council yesterday afternoon to the city electrician, water commissioner, solicitor, wiring inspector, and Harry Taylor, provincial inspector of electrical energy.

In submitting the questions to the council, Alderman B. J. Gadsden stated he was not satisfied with the protection furnished residents since removal of the external ground wires. They were removed by the B.C. Electric when the City Council suggested that an annual rental of \$6,000 be paid for the privilege of using water mains for ground purposes.

Alderman John A. Worthington pointed out that the ground wires have been substituted for water mains by the company. He believed Mr. Taylor considered the question in the light of a controversy between the city and the B.C. Electric.

URGES ACTION

"We have a wiring inspector for interior work. Mr. Taylor is taking no notice of the grounding question. We should approach the Provincial Government. I move the questions be sent direct to Mr. Taylor for answer," Alderman T. W. Hawkins urged. His amendment was lost.

"My object is to have the questions answered in the interests of the people. I want to be sure they are protected. I believe there are two sets of ground wires in other cities, and I feel that the questions should go to our own employees first," Alderman Gadsden said.

"We should have asked Mr. Taylor to discuss grounding with us. We thought the B.C. Electric would pay an annual rental for the privilege of using water mains," Alderman Archie Willis recalled.

Alderman Hawkins indicated that he had answers to the questions, but thought Mr. Taylor should be communicated with first.

Alderman B. H. O'Neil and W. H. Davies pointed out that the provincial inspector was responsible for the safety of outside wiring, and should be required to answer the questions.

Alderman Edward Williams thought the answers should be read, and that the council should then communicate with Mr. Taylor. If they were not satisfactory, Alderman O'Neil recalled that the council had received copies of the questions, but did not officially ask for the answers.

STREET LIGHTING

Mayor Arthur McEwen and the city clerk were authorized to sign an agreement between the city and the B.C. Electric for the supply of street lighting current for five years at a rate of 1.075 cents per kilowatt hour. The mayor voted against ratification of the agreement.

On recommendation of the water board, the mayor was also authorized to sign an agreement with the B.C. Electric whereby water may be used at the Goldstream hydro-electric plant for five years at a basic rate of \$18,000 per year.

It was decided to grant the Vancouver Island Class "A" Chauffeurs' Association an audience at the next franchise committee meeting to discuss wage scales and the hiring of local drivers for any transportation system to replace street cars.

SUGGEST DELAY

A letter from the Oak Bay Council suggesting discussion on the advisability of shelving, until after the war, plans to create a new transportation system was tabled for debate at the next meeting.

Fourteen questions from the municipal committee engaged in preparing a transportation franchise were also tabled for discussion at the next meeting.

A vote of thanks was tendered to Alderman Gadsden for an engraved plate placed on the table supporting the register signed by their Majesties during the royal visit to the City Hall.

An invitation from Very Rev. Spencer H. Elliott, D.D., Dean of Columbia, to attend a remembrance service at Christ Church Cathedral at 3 o'clock on the afternoon of November 12 was accepted.

Fire Chief Alex Munro was thanked for his report on the Pacific Coast and International Fire Chiefs' Association Convention at San Francisco.

Government Makes Ready for Session Opening on Tuesday

Administration's Decisive Victory in Cranbrook Leaves Standing in Assembly Unchanged—Short Session, Without Highlights, Likely

WITH the short but decisive Cranbrook by-election campaign decided in favor of the administration, the Provincial Government settled down yesterday to preparations for the third session of the Nineteenth Legislature, to open on Tuesday at 3 p.m.

The Government will meet the House with thirty-one supporters as before. Conservatives and the C.C.F. keep their nominal parity, each with eight seats, while Labor holds the remaining riding, Fernie.

With only a light programme of legislation expected, the session may be shorter than customary, possibly inside the single month of November. Unofficial predictions are that the budget may be brought down relatively early, to keep the House supplied with the business of estimates upon which to proceed, while legislation often tardy, is being rounded into shape for presentation.

ELECTIONS TO PROCEED
Committee work is expected to turn on the conventional model, with municipal affairs and private bills drawing most of the attention, and special review of the Provincial Elections Act, some new business.

Hon. A. W. Gray indicated yesterday that British Columbia does not plan to follow the example of another province by promoting a stay of municipal elections. The Department of Municipal Affairs believes that such action can be taken by each municipality itself, by acclamations for civic boards, where that is the will of the people.

Legislative review of the Teachers' Pension Act, changes in existing utility and water rights legislation, a wartime stay in mining assessment work for men with the colors, and the usual amendments to departmental legislation are also being mentioned in circles close to the ministry.

STADIER TIMES
Fiscally, the session is expected to be quiet and without much change, either by way of taxation, or by increase in expenditure other than

what may be found unavoidable in the light of wartime conditions. Social functions normally attending the session may be much curtailed.

TWO NEW FACES

Two members-elect will take their seats for the first time on Tuesday, Mrs. Laura Jamieson, C.C.F. member-elect for Vancouver Centre, and Arnold McGrath, twenty-seven-year-old Liberal member-elect, who this week retained the seat vacated at Cranbrook by F. M. MacPherson, former Minister of Works.

The Government will meet a caucus convening possibly on Monday with eight of the nine Cabinet positions filled, and the ninth, that of works, held temporarily by Premier Pattullo, in person.

As the day closed, machinery was being set in motion to expedite the return of the writ in the Cranbrook by-election, so that Mr. McGrath may take his seat on the opening day of the session, Premier Pattullo said.

CHEMAMINUS REGISTRATION

Mrs. H. Heslop, convener for registration in Chemainus area reports that registration was completed by all canvassers by Saturday morning and covered 80 per cent of the female population in the area. This high average was accomplished by a house-to-house canvass by all registrars, involving a great deal of effort. A total of 302 women signed registration forms, which were handed in to Duncan headquarters.

Those in charge of registrations were Mrs. H. Heslop (convener), Mesdames A. D. Aiken, J. McKinnon, E. Koch, G. Vaters, P. Quelch, G. Richmond, A. Laubach, G. Lomax, O. Talman, H. W. Leunichbury, J. C. McEwan, T. L. Hipp and Misses May Robinson and Betty Aiken.

GERMAN RAIDERS SINK THREE SHIPS

manus by a German prize crew from the raider.

The third victim of the raiders was said to have been the British freighter Clement, sunk off the Brazilian coast on September 30 by a vessel authorities identified tonight as the Admiral Scheer.

REASONABLE CHANCE
Naval authorities said fast ships like the Deutschland and the Scheer would have a "reasonable chance of success" in running the North Sea patrol of the British and French navies under cover of darkness.

How long they would stay out would depend on oil and food supplies. The history of commerce raiders, however, shows they always get caught if they stay at it long enough—which is what happened to the Emden, the Dresden and the Sea Alder in the first Great War.

On the home front, Food Minister W. S. Morrison said Great Britain's food supply, against which German raiding is directed, was growing. He added a date for rationing would be fixed soon.

Co-ordinators State Victoria Equipped to Fill War Requirements

First Week of Industrial Survey Shows Outlook For Local Participation Promising—Skilled Help and Competent Plants Available

VICTORIA can take care of a great deal more of the needs of the Canadian War Purchasing Board and the British War Purchasing Commission than had been anticipated, and the outlook for local participation in the wartime industrial field is very promising.

This is the opinion already formed by J. E. Goldring and J. A. Heritage, co-ordinators appointed a week ago by the joint committee of the Victoria Branch of the Canadian Manufacturers' Association and the Victoria Chamber of Commerce to survey the industrial resources of existing plants on Vancouver Island and determine their ability to contribute to the war requirements of Canada and Great Britain.

A high class of skilled and technical labor is available, as well as many others who have not yet taken the opportunity of doing so, and it is hoped that they will do so soon.

SURVEY UNDER WAY

The survey is now well under way, and having pretty well covered the shipbuilding and engineering facilities, Messrs. Goldring and Heritage will turn their attention next week to other classes of industry. The wartime industrial field is open to textiles of all kinds, canning industries, box-making plants, and all types of machines and machine tools.

They said that a great deal of work had already been done by the joint committee which appointed them, which was evident in the response being met in their investigations. When the survey is completed, the co-ordinators said, it is hoped that the British war purchasing commission may come here, failing which the British Columbia provincial trade representative at Ottawa is expected to establish the necessary contacts in order that Vancouver Island may do its part in wartime industrial production.

REPORT CO-OPERATION

Since last Monday, Messrs. Goldring and Heritage have been interviewing manufacturing companies which handle various kinds of products, and they report that co-operation is to be expected from every concern interviewed. "Every body we have seen and interviewed is more than anxious to take on some work for the Government that will put as many of Victoria's unemployed to work as possible," Mr. Goldring said.

So far the co-ordinators have been investigating the resources of the shipbuilding and engineering plants, and they express satisfaction with the results of their survey. "We find that the shipbuilding industry is very well able to take care of contracts immediately," stated Mr. Goldring. "All the shipyards are anxious to co-operate with one another; to pool their interests, as it were, and place all their facilities at the disposal of the Canadian purchasing board or the British purchasing commission."

Furthermore, it was pointed out by Mr. Heritage, it has been found that there are many shops with skilled help and a certain amount of machinery and plant well equipped for the making of small machinery, deck, engine room and other requirements.

An office has been opened in the Chamber of Commerce in the Arcade Building, where industrial firms can register and file information regarding the nature and capacities of their plants. Several firms have already registered, and more are doing so from day to day, it was learned.

Commenting on this point, Mr. Goldring said that while a number of concerns have registered and filed the required information about their plants and equipment, the co-ordinators feel that there must be

Island Lads Who Sailed on
Yugoslav Freighter
Are in England

Ted Meredith, of Victoria; John Uzell, of Cowichan, and W. D. Reith, of Duncan, have been in England since early October. Working their way to England, these boys were recommended by Captain H. Seymour-Biggs, of Victoria, for enrollment in the Royal Air Force.

Meredith, Uzell and Reith went aboard the Yugoslav freighter Carica Melica, which loaded lumber at British Columbia Coast ports for the United Kingdom, leaving before war was declared and getting orders while at sea to put in at Lisbon, Portugal, and await advice concerning a convoy which was being arranged.

Arriving at Lisbon, the Yugoslav seamen refused to continue to Britain with the ship, and when the three British Columbians appealed to the British Consul for advice he was unable to give them any comfort, as the Spanish frontiers were closed and he could not say when a British ship would be calling. It began to look as though the would-be recruits for the Air Force would have to remain in Lisbon indefinitely.

SHIP CALLED

In the meantime, young Meredith wrote his father, J. T. Meredith, here, who notified the relatives in England, with the result that the proper authorities in the Old Country were approached and told of the lads' predicament. Whatever transpired—whether the ship was told to call at Lisbon or it was just a bit of luck—early this month a British ship put into the Portuguese port and took the boys aboard, a letter recently received by Mr. Meredith from his son in England stating that "we are all here," indicating that they had reached England, and telling, in detail, how they had left Lisbon.

School Board of
Seattle to Train
Airplane Workers

SEATTLE, Oct. 27 (AP)—Upon request of the Boeing Aircraft Company, the Seattle School Board today authorized an "emergency" school to train young airplane production workers.

City School Superintendent Worth McLeure said the Boeing Company would employ the 240 enrolled students as soon as their training is completed. The agreement followed the company's report of a shortage of skilled labor to meet its greatly expanded production needs.

STOP PRESS

A young widow commissioned a monument mason to inscribe on her husband's tombstone, "My sorrow is more than I can bear." Before the work was finished the widow married again, and the mason asked her if she still wanted the inscription.

"Yes," she replied, "but just add the word 'alone' at the end."

Northland Flyer
Makes Survey of
Soil Conditions

EDMONTON, Oct. 27 (CP)—Northland flying is halted now for the freeze-up period, but one Northern plot is still carrying on in Southern Alberta and Saskatchewan dry areas. He is Pilot Robert Randall, of Mackenzie Air Service, who is making photographic surveys for the Federal Department of Agriculture.

Expected to be completed within a few weeks, the work is designed to secure comprehensive information on the broad outlook of soil conditions in and around drought areas. The results will be used by several related Federal departments.

Federal Arbitrator Morse
Refuses to Act in Dispute
At Bellingham

SEATTLE, Oct. 27 (AP)—Wayne L. Morse, Federal labor arbitrator for the United States Pacific Coast, refused today to arbitrate the labor controversy over loading the Seapoint Anchorage at Bellingham.

He ruled that the controversy was a local one, to be arbitrated by Van C. Griffin, Seattle, arbitrator for the Puget Sound district, and not of coastwide jurisdiction.

His ruling, upholding the contentions of Congress of Industrial Organization-affiliated longshoremen, who refused to load lumber aboard the ship, however, said that the dispute was highly serious and might develop into a coastwide controversy unless settled soon.

BELLINGHAM, Wash., Oct. 27 (AP)—Labor troubles today virtually closed the Port of Bellingham as American Federation of Labor pickets guarded several docks in retaliation against the action of International Longshoremen's and Warehousemen's Union workers, who refused to load a vessel at the Bloedel-Donovan cargo pier because of the strike of Congress of Industrial Organization millworkers there.

The spreading strike affected the Puget Sound Pulp & Timber Company, where the Italian steamship Seabell was waiting to be loaded, and the Municipal Dock, where the coastal vessel Coast Shipper refused to tie up after the captain saw the picket lines. She moved on to Anacortes, where her cargo will be unloaded and trucked to Bellingham.

Stones, Sign and Wooden Frames
On Track Might Have De-
railed Empire Builder

CARRINGTON, N.D., Oct. 27 (AP)—A plan to wreck the eastbound Empire Builder, crack Great Northern flyer, was thwarted on Thursday when a section crew discovered stones, a steel culvert marking sign and wooden frames on the track one mile east of Junita.

Police said a fifteen-year-old Junita farm boy had confessed the attempt to wreck the passenger train. He is held for juvenile court action.

The barrier was removed by the crew twenty minutes before the train was to reach Junita. The boy was traced eight miles through the freshly-fallen snow. He would give no explanation for his action.

Island Boys Have Arrived in England

Ted Meredith, John Uzell and W. D. Reith, who shipped here aboard the Yugoslav freighter Carica Melica, and were caused some worry at Lisbon when the crew of the vessel refused to take her into the U-boat zone, managed to get passage to Southampton on a British passenger liner, and are now in England. Meredith was not present when the above picture was taken of Uzell (left), Captain H. Seymour-Biggs, W. D. Reith and the first officer of the Carica Melica.

NO CHANCE OF
GETTING AWAY

Airmen May Have to Remain
In Lonely District
For Months

VANCOUVER, Oct. 27 (CP)—Months of cold and semi-isolation may be the fate of three United States airmen who were forced down on the British Columbia-Yukon border more than a fortnight ago.

The trio—Pilot C. O. Galbraith, formerly of Bellingham; Richard King, of Seattle; and Herbert Gisher, of Blaine—have been unable to leave the lonely Lake Teslin district of Northern British Columbia, where their plane was wrecked in landing on a flight from Bellingham to Fairbanks.

Reports reaching here said the three were in good condition and had plenty of supplies, but their only method of getting out was by air. With their plane wrecked and for the moment unrepairable, they made several attempts to hike the seventy-five miles from Lake Teslin to Atlin, B.C., but were forced back by snow. Rivers are un navigable at this time of year in the district.

Canadian immigration officials here said there were no funds available for sending an airplane to bring the men out, since their condition was not considered an emergency. United States consular officials knew of no plans for sending a plane to their assistance.

GUNNERY PRACTICE

Gunnery practice will be carried out in the Strait of Juan de Fuca off Esquimalt and Victoria Harbors today, officials of the Naval Dockyard announced last evening.

LUCID

At a big factory a man went to the Irish foreman and asked for a job. The foreman said he had no vacancies at the moment, but added, "But I'll tell you what. There's one of our men here today who hasn't come. If he doesn't turn up tomorrow I'll send him home and you can have his job."

Coast Guardsmen
Abandon All Hope
For Boat Owners

NEWPORT, Ore., Oct. 27 (AP)—Coast guardsmen feared today the pounding surf south of Yaquina Bay had claimed the lives of C. E. Norton, Newport, and George Smith, Bandon, Ore.

The Newport station virtually abandoned all hope late yesterday, after discovering the shattered fishing boat Anna H. Porter on the beach. Norton and Smith left on a salmon fishing trip on Tuesday, and it was believed that the boat struck Station Reef.

HELD POST AT
WILLIAM HEAD

Dr. John S. Douglas, Who
Died on Thursday, Was
Well-Known Here

HALIFAX, Oct. 27 (CP)—The funeral of Dr. John S. Douglas, forty-seven, quarantine officer in Halifax, who died yesterday after an operation, will be held tomorrow at St. Lawrence, N.S.

A son of Mrs. George B. Douglas, Chatham, Ont., and the late Judge George B. Douglas, Dr. Douglas was a graduate of McGill University and the University of Toronto. He received his degree of doctor of public health from McGill in 1933.

He served as a medical officer in the first Great War and later accompanied Arctic expeditions as physician. He was in charge of the quarantine branch of the Department of Pensions and National Health in the St. Lawrence River for four years, and in January, 1936, took a similar post at William Head, B.C.

Dr. Douglas succeeded Dr. H. A. Chisholm as head of the Halifax office several months ago. Besides his widow, his mother and two sisters, Mrs. Roy L. Scythens, Westmount, Que., and Beatrice Douglas, Long Island, N.Y., survive.

WHALES HARDER
TO SECURE NOW

Big Mammals Are Plentiful
Enough but Are "Getting
Smarter"

SEATTLE, Oct. 27 (AP)—America's only surviving whaling fleet was back in port here today with a tale of a head-on collision with a wounded eighty-foot whale at sea, and a report that the big mammals are "getting smarter."

With the Pacific American Whaling Company's three-boat fleet tied up in Lake Washington, Ernest Kugler, manager of the Grout Island base, told how a harpooned blue whale "came up suddenly and headed straight for the Aberdeen."

"Before the vessel could be moved, the whale crashed into her starboard side, denting the plates and buckling some of the fittings," he said. "The examination of the whale showed it suffered only 'a little scratch on his chin.'"

"Plenty of whales were sighted in the Gulf of Alaska," one company official commented, "but it is much harder to get close enough to harpoon them than it was ten or twelve years ago. They're just getting smarter."

SECOND TIME OF ASKING

After a night—and what a night!—two gallant soldiers were returning to their billets. At the corner of the street one produced some tired-looking cigarettes and asked the other for a match. After several efforts, they got a match out of the box. One bent to pick up those they dropped, when the other exclaimed: "Gosh, ol' man, this match won't light!" "Washa the matter with it?" "Dunno—it lit all right just now!"

AWARDS ARE
PRESENTED

Dr. William Gibson Is Guest
Speaker at Victoria
College Gathering

The annual presentation of scholarships and prizes to students of Victoria College was held in the auditorium of the Victoria High School yesterday afternoon. Dr. William Gibson, a graduate of the Victoria institution, was the guest speaker.

Many parents and friends attended the function and the stage was occupied by members of the faculty and scholarship donors or their representatives. Professor Percy H. Elliott, principal of Victoria College, acted as chairman.

Taking as the title of his address, "What Happened to the German Universities, and Why?" Dr. Gibson traced the decline in learning in that country since the advent of Hitler and the Nazi party. He spoke of the Nazi leaders' philosophy of conquest, and their denial of objectivity.

Party chiefs were given the principal positions in the universities when expulsion of brilliant men took place, the speaker said, with the result that the institutions suffered badly.

Professor Elliott, in a brief address, urged the students to continue their studies, stressing the necessity for trained men and women in this mechanical age.

P. E. George, chairman of the Victoria Board of School Trustees, presented the Royal Institution and Frank Eaton Memorial Scholarship of \$50 to Bruce E. Mickleburgh, for the highest standing in second-year English.

Ernest R. McMinn was awarded the Agnes Dean Cameron scholarship of \$50, donated by Mrs. F. V. Longstaff, for obtaining the highest standing in first-year English and continuing the course in the second year at Victoria College.

Mrs. Sanderson-Monaghan presented the L. Allaire Franchise prize of \$50 to Maureen E. Evans for the best progress in second-year French. Harry M. Evans received the David Spencer, Limited, \$100 scholarship for highest standing in mathematics of the first year, from F. E. Winslow. Austin I. Curtis, president of the Kiwanis Club, was introduced by the chairman, and announced that Albert N. O'Neill

presented a special prize for excellence in Latin I. to Sheila P. Cawley; book prizes for excellence in Latin II. to Maureen E. Evans and Margaret Lowe, both at U.B.C.; and another book prize for excellence in beginners' Latin to Pauline M. Griffin.

KILLED TROOPS ARE DIGGING IN

But "Ladies From Hell" Will Don Overalls for Battle Dress

WITH THE BRITISH EXPEDITIONARY FORCE IN FRANCE, Oct. 27 (AP).—Scottish troops were digging in today along a reserve line under the eyes of Viscount Gort, commander-in-chief of the British Expeditionary Force.

These units, which won fame in the first Great War, took pride in the name said to have been given them by the Germans, "The Ladies From Hell." But the "Ladies From Hell" will not be ladies much longer. Some time in the next two weeks they are to take off their kilts and stick their legs into the overalls of the army's new battle dress.

They don't like the idea much, although they still will be allowed to wear their kilts for ceremonial and on leave.

Lord Gort, who visits different units three and four times a week, doesn't miss a thing. He doesn't mind mud, water or cold.

The trenches are about seven feet deep, built with firing steps and frequent bays for machine guns.

A FAMILIAR TUNE

One squad marching to die, whistled a tune as they went through a French village—a familiar tune in the United States—the United States Naval Academy's "Anchors Aweigh." I asked a handman who was becoming the fact his drums had not come up yet where the regiment had picked up the song, was it by chance an old Scottish tune?

"No, sir, it's an American tune," came the reply, "we just whistle and sing it because it's a grand thing to march to. Do ye ken the words?"

With the help of a couple of other Americans I wrote them out. They're going to try the song on the pipes the next time they march.

WAR IS CRUSADE FOR CIVILIZATION

Continued from Page 1

second address next Tuesday evening will cover Canada's war effort up to the present.

"No one, I think, has been more anxious than I have to prevent Canada being drawn into the maelstrom of European conflict," the Prime Minister said.

"No one, except the colleagues who share with me the obligations of government, carries so great a measure of responsibility for the consequences of Canada's participation in war."

"If, today, I am prepared to continue to lead a Government charged with the awful responsibility of prosecuting a war, it is because, contrary to every hope and wish I have ever entertained, I have been compelled to believe that, only by the destruction of Nazism and the resistance of ruthless aggression can the nations of the British Commonwealth hope to continue to enjoy the liberties which are theirs under the British Crown, and the world itself be spared a descent into a new and terrible age of barbarism."

CANADIAN CONVICTIONS

"The growth of my own convictions has, I believe, been more or less paralleled in the minds of most of the men and women of Canada. Today it represents the mind of Canada itself."

"I doubt if two years ago the Canadian people could have been persuaded to participate in another European war. Like Britain and France, we were determined first to exhaust every possibility of peaceful negotiation in the settlement of international differences."

"It was not until we beheld every structure of peace destroyed as quickly as it was erected that our worst fears became confirmed. We saw forces being loosed upon the world which, if not subdued and conquered overseas, sooner or later would be at our very doors."

DEFENDERS OF THE FAITH

"The time has come when, to save our Christian civilization, we must be prepared to lay down our lives for its preservation. The young men who are enlisting in the forces today, to serve on land, on the sea and in the air, are first and foremost defenders of the Faith."

"Like others who have gone forth to battle in the past, they are placing their lives at the service of King and country, but theirs is an even greater mission. It is the preservation, for our own and future generations, of freedom bequeathed to us by our fathers, of freedom of religion, of freedom of thought, of freedom of expression, of freedom of the individual and of the soul."

Sketching the rise to power of the Nazi party in Germany, the Prime Minister said, pledges given by Britain and France to Poland were necessary as the only means of checking the progress toward world domination.

"Germany's defiance of peaceful methods of adjusting international differences is a defiance and a threat to all peoples and countries which will seek to base their freedom upon the rule of law, the sanctity of contracts and the sacredness of human personality."

BETTER TO RISK ALL

"Great Britain and France have been driven to believe that it is better to risk all in an effort to save those values which make life worth living, than to continue to endure the fear of unending aggression and the gradual domination of the world by force."

"It is upon the edge of an abyss that mankind is standing today. Should Nazism triumph in Europe what will become of freedom in other quarters of the globe?"

"The Prime Minister reviewed the swift sequence of events from the Hitler march into Poland until, with almost unanimous endorsement of Parliament on September 10, "a state of war between Canada and Germany was proclaimed by the King."

Since the entry of Canada into the war the time of the Government has been occupied with steps to place the Dominion on a war footing.

Engineer Builds Model Steam Plant

Two years' spare time labor has resulted in the model steam plant pictured above, with its builder, Sydney Horsford, engineer at Swift Canadian Company, Ltd., Wharf Street. The whole plant is only five feet long, two feet six inches high, and two feet eight inches wide, and was all turned out from the raw materials on a 3/4-inch lathe. The boiler is of return-tubular type, with seventeen tubes, and an automatic oil burner, and will run for four hours without attention. Water is fed to the boiler by one-eighth horse-power donkey pump, and there is an auxiliary hand water pump. The plant runs at 60 lbs. steam pressure, is equipped with a steam whistle and a safety valve to blow at 70 lbs., and operates a quarter-horse-power slide valve engine, which in turn runs a generator, and generates electric power for its own lights. The plant complete weighs 250 lbs.

Spencer's Remnants Hold First Ball for Red Cross

Given under the patronage of Hon. E. W. Hamber, Lieutenant-Governor, and Mrs. Hamber, Premier T. D. Pattullo and Mrs. Pattullo, Mayor Andrew McGavin and Mrs. McGavin, the first grand ball, sponsored by Spencer's Remnants in aid of the Red Cross Society, was held last evening in the crystal ballroom of the Empress Hotel, which was filled with a gay throng of dancers.

Special invitations were accepted by Mr. and Mrs. J. W. Spencer, Miss Sara Spencer, Mr. Chris Spencer (Vancouver), Col. and Mrs. Victor Spencer (Vancouver), and Mr. and Mrs. J. D. Campbell.

A feature of the evening was the presentation of two new songs, composed by Miss June Day, of Vancouver, a former employee in the Vancouver store, who, with Mr. Ernest J. Colton, of Vancouver, came over specially to sing the songs. The voices of Miss Day, soprano, and Mr. Colton, baritone, blended in the two numbers, "I'm Going to Find a Mademoiselle" and "We Are Going to See It Through". Miss Day received enthusiastic applause for her two compositions.

It was due to the efforts of Mrs. J. W. Spencer, as general convenor, with the assistance of Mr. J. Roberts, chairman of the committee, which included Messrs. R. Milburn, O. Prentice, A. Rossiter, T. Groom and W. C. Grant, that the party was such a delightful event.

The Empress Hotel Orchestra, under the baton of Mr. William Tickle, played a programme of favorite and latest dance hits until 1 o'clock this morning. The use of

the spotlight gave kaleidoscopic effect during the special numbers, behind the orchestra platform the emblem of the Red Cross was placed, and at either side stood the Union Jack and the Canadian ensign.

A sit-down supper was served at 11 o'clock in the dining-room, where bowls of chrysanthemums in the Autumn shades centred the tables.

I.O.D.E. Activities

ARRBUTUS
Arbutus Chapter held its annual Autumn Tea and sale at home cooking on Thursday, in the parish hall. Mrs. Sandiland, the regent, received the guests. The hall was effectively arranged with Autumn flowers and leaves. Miss L. M. Vye, in charge of table decorations, had the tables arranged with flags and Autumn leaves. Tea was poured by Mesdames J. McKinnon, R. McBride and Misses I. M. Vye and E. Clement. The home-cooking stall was in the charge of Mrs. Stevens, assisted by Mesdames S. Saunders and R. Miligan. Mrs. T. Parson was in charge of a guessing contest, won by Mrs. T. L. Hipp. Mrs. P. Lomas superintended the kitchen arrangements. The proceeds will augment the general funds of the chapter.

Emergency Committee
The I.O.D.E. emergency committee will meet on Monday at 8 p.m., at headquarters.

Clubs and Societies

May Temple Meets

May Temple, No. 34, Chemainus, held a short business meeting on Thursday. Mrs. E. Perry presiding over an attendance of twenty-eight members. Following the business session the sisters were hostesses to members' husbands and to members and wives of Knights of Pythias Lodge, No. 60. Nearly eighty guests were received. Nine tables of whist and five of bridge were in play. Whist winners were Miss Betty Allen, Mr. E. Perry, Mrs. A. Work and Mr. T. Larnan; bridge winners were Mrs. D. Stevens, Mr. H. Wilson, Mrs. F. Hart and Mr. D. Stevens. A highlight of the evening was the display by Mrs. J. A. Hummel of the moving pictures taken of the Chemainus Dominion Day celebration and of the Chemainus members of "B" company, Canadian Scottish Regiment. A short programme, including a monologue by Mr. H. Wilson; piano duet, Mesdames G. Lamont and C. Katz; solo, Mr. D. Greenhorn. The accompanying was Mrs. T. Eberts. A quiz contest was won by Mr. C. Savory. Mrs. P. Quech had charge of the bridge tables; Mrs. E. Knight, of the whist; Mrs. H. Wilson, the programme; Mr. A. Jones, the quiz. The supper tables were decorated by Mrs. S. Simmonds, and arranged with miniature sheaves of wheat, Autumn leaves and flowers. Later, dancing was enjoyed.

Diocesan Mothers' Union

A general meeting of the Diocesan Mothers' Union was held Wednesday afternoon in the Memorial Hall, with the president, Mrs.

Beasley, in the chair. The president welcomed a party of members from the Shewanigan Lake branch. Archdeacon Nunns gave a helpful address, pointing out that in this time of need the Mothers' Union could render great help and should go steadily forward with its vital, spiritual work. In times of trial and impending disaster the nation had called upon God for deliverance but had not turned to him in the true sense, proof of which could be seen in the widespread neglect of things of the spirit, and the prevalence of greed and selfishness, both in private and public life. Nominal Christianity must develop into something deeper, and to this end the members were urged to do their utmost. Tea was served by Mrs. Corbett and her helpers.

Smart, Practical Coat-Dress

By ANNE ADAMS.

Pattern 4256

CHECK this useful Anne Adams style for your "stay at home" days this winter. A hurry-up job for your sewing machine. Pattern 4256 will take you just a few hours to make with the Sewing Instructor to clear the way. Those princess lines are not only slim and becoming, but they also eliminate waist-line seaming—a great time-saving feature. The double-breasted coat-style goes quickly on and off, with its slide-front buttoning. You might add an amusingly shaped pocket. And wouldn't the contrasting collar and cuffs be decorative with scalloped edges? A long-sleeved style is also included in this smart, all-day dress.

Pattern 4256 is available in misses' and women's sizes 16, 18, 20, 24, 26, 28, 30, 32, 34, 36 and 38. Size 36 takes five yards 35-inch fabric and 3-4 yard contrast.

Send twenty cents (20c) in coin for this Anne Adams pattern. Write plainly size, name, address and style number.

Send your order to The Daily Colonist, Pattern Department, Broad Street, Victoria, B.C.

Donations to Be Presented To Solarium

The children's annual Halloween party held last evening by the Lake Hill Women's Institute in Lake Hill Community Hall for the benefit of the Queen Alexandra Solarium was the most successful ever held in the district. Nearly 250 children attended, and the costumes were exceptionally attractive.

Admission to the party was by means of a donation for the Solarium, instead of by ticket, and as a result of the collection of jams, preserves of all kinds, groceries, soups, vegetables and other articles, fourteen large cartons were packed ready for shipping today, and will be delivered through the kindness of Sobeys Bros., this morning.

Mr. Routley, principal of the Cloverdale School, had charge of the programme, which included musical numbers and dances. Community singing preceded the grand march, which made an attractive scene, the costumes being judged by Miss Leighton, Mrs. Blair and Mrs. Reid. There were two sittings for the children's supper, and the Halloween motif was carried out in the decorations of the rooms and the supper tables. The children's parents were also given refreshments during the evening.

Superfluties Store Is Busy

Reviewing the past week at the Red Cross Superfluties Store on Government Street, a member of the organization reported steady support on the part of the public.

The use of a store in Prince Rupert has been offered and this will be operated by residents of that city. The store on Government Street is co-operating.

The Vancouver branch will operate a store in Vancouver on similar lines, under the management of W. E. Milne. Mrs. J. R. Dalton, Port Alberni, has undertaken to organize a receiving centre for articles donated in that city, and to keep the matter before residents of the district. These articles will be sent free of cost to the store in Victoria.

In Saanich, the organization is now well under way. Mrs. A. D. Macdonald, East Saanich Road, Sidney, has offered to promote the undertaking in Sidney. Deep Cove, Patricia Bay and surrounding country. Donations from this territory will be assembled at the Sidney Trading Company Store by co-operation of Mr. Cochran.

Also in the Saanichton, Keating and Brentwood districts such work has been undertaken by the Misses Westinghouse, of Mount Newton Crossroad, working with Mrs. Moody, of Brentwood. Articles in this district will be accepted at the West Saanich Mercantile Store on the West Road, through consent of the proprietor, Maurice Atkins.

ST. JOHN'S (DUNCAN)

DUNCAN, Oct. 27.—On Wednesday evening twenty-five members attended the monthly business meeting of St. John's (Duncan) branch of the A.Y.P.A. The opening devotional period was conducted by Miss Patricia Dwyer, and Miss Dorothy Duncan read the Scripture portion. Miss Eileen Langlois presided during the business session. Final arrangements were made for a bazaar to be held on November 8. The branch voted in favor of holding an A.Y.P.A. drama festival in the Spring by members of the Nanaimo Deacons' Council. The local A.Y.P.A. will hold a concert in February, the committee in charge to be John Sterling and Misses Esther Whittaker and Dorothy Duncan. The business session was closed by Rev. H. T. Archbold, and the evening ended with games and dancing.

ST. ALBAN'S

A delightful Halloween social was held recently by members and friends of St. Alban's branch. The parish hall was tastefully decorated in Halloween colors. Conquests and dancing were enjoyed and refreshments were served under the co-operation of Miss J. Beecher.

Gifts Presented In Wishing Well

Mrs. J. E. Beales and Mrs. E. Haller were hostesses at a miscellaneous shower recently in honor of their niece, Miss Dorothy McVie, whose marriage to Gunter L. P. Cockrell will take place on December 2 at St. Paul's Naval and Garrison Church. The gifts were concealed in a "wishing well," and as the bride-to-be entered the room Miss C. Hamilton played "The Wedding March." Mrs. J. E. Beales presented bouquets of carnations and frezias to Mrs. McVie as the guest of honor. Assisting the bride-to-be in opening the parcels were her twin cousins, Agnes and Jo Beales.

The winners of games and contests were Agnes Beales, Mrs. L. D. Mars, M. Worsley, G. Wright, B. McMurray, M. Stephens, D. Campbell, M. Prior, C. Musgrave, E. Appleby, V. Harlock, B. Cox, M. Robbins, A. Ridewood, J. Burnett, P. Brown, B. Chadwick, B. Slater, Messrs. Eric Metcalf, J. Monteith, Jack Todd and G. Verley.

Presentation Made

Honoring Miss Ruth Eileen Morley and Mr. Fred George Hooper, who are to be married next month, Mrs. J. N. Harper, Pine Street, entertained a number of friends at a surprise party on Thursday evening. Bronze chrysanthemums formed a pretty background in the living room, while pink chrysanthemums and lighted pink tapers were used in decorating the dining-room. Recitations by Mr. B. B. Temple were enjoyed. Mr. Joseph Eastick, an old family friend, presented the young couple with a handsome silver tea service and expressed the good wishes of the assembled friends. A buffet supper was served later, the table being centred with pink chrysanthemums in a cut glass bowl. The invited guests were Mr. and Mrs. A. P. Hooper, Mr. and Mrs. W. Ashworth, Mr. and Mrs. Westover, Mr. and Mrs. B. B. Temple, Dr. and Mrs. E. W. Henry, Mesdames J. Willis, T. W. Evans, Shaw, A. Bishop, Slik, P. Hunt, T. Evans, Cody-Johnson, S. White, J. Loft, H. Hughes, A. Stewart, Clodiarie, and the Misses Mary and Emma Saunders, E. Baylis, Doen Ashworth, Grace and Jean Henry, and Messrs. G. Ellis, F. Tall, J. Eastick, H. Gard, Murray Evans, George H. McTavish, and H. Ward.

Hostess Recently

Miss Margaret Sheppard entertained on Thursday evening at her home on St. David Street, in honor of Miss Dora Greaves, whose marriage will take place early in November. A corsage bouquet of pink carnations was presented to Miss Greaves. Flame and bronze-colored chrysanthemums were used in the

decorations in the reception rooms. During the evening the bride-to-be was presented with a huge pumpkin, which contained a shower of miscellaneous gifts. A buffet supper served from a table arranged with a fillet lace cloth and centred with flame-colored chrysanthemums in a glass bowl. Four blue tapers in matching holders completed the setting. Mrs. A. W. Greaves and Mrs. Llewellyn Sheppard presided at the tea and coffee urns. The invited guests were Mesdames Alistair McFarlane, Daisy Wood, Dixie Warder, Sydney Hicks, Connie Hudson, Ina Catterall, K. Goyette, Grace Cuth, the Misses Alice Parkinson, Sadie Thorburn, Dorothy Osborne, Jessie Gordon, Nettie Thorburn, Marion Pass, Thelma Jacklin and Peggy McDonald.

Miscellaneous Shower

Miss Doris Townsend, who will shortly become the guest of Mr. Robert Wall, was the bride of honor at a miscellaneous shower on Tuesday evening at the home of Mrs. Harry Laycock, 727 Princess Avenue. Pink and mauve dahlias were used in floral decorations in the reception rooms. The gifts were presented in a novel and artistic manner from beneath a prettily decorated mauve and pink umbrella, surrounded by Celophane streamers. Games and contests were enjoyed during the evening, prizes being awarded to Miss "Brownie" Martin, Miss Abbie Townsend, Miss Nora Martin and Mrs. L. Cox. Later a buffet supper was served. Those present included Mesdames George Townsend, F. J. Findlay, E. Bond, S. Graham, C. Carter, J. Hedley, L. W. Cox, J. Edwards, W. Bradley, H. Laycock, G. A. A. Heben, Misses Kay Dailer, Nora Martin, Irene Lindley, Marion Cann, Abbie Townsend, Jean Earl, Nellie Brayshaw, Jean Morley,

"Brownie" Martin, Agnes Johnson, Iona Findlay and B. Wall.

Farewell Party

A farewell party was held recently at the home of Mr. and Mrs. T. Peden, McBride Avenue, by the United basketball team, in honor of Miss Stanley Day. During the evening the guest of honor was presented with an engraved silver sandwich tray by Patsy Yeamans, daughter of the team's coach. Refreshments were served from a table centred with mauve chrysanthemums. The guests included Mr. and Mrs. W. Yeamans, Mr. and Mrs. T. Peden, Mrs. B. Longstaff and Misses Eileen Peden, Jean Metcalfe, Mary Peden, Vicki Bourke, Mae Medler, Chris Reid, Mae Peden, Patsy Yeamans and Gordon Carlow and Gordon Peden.

Golden Wedding

Mr. and Mrs. John Trace celebrated their golden wedding last Tuesday at the home of their son and daughter-in-law, Mr. and Mrs. J. H. Trace, 1718 Leighton Road. Between two and three hundred guests called during the day and evening, and the couple were the recipients of many beautiful flowers and gifts, including a chiming clock from the Department of Public Works and a lamp from the A.O.F. Mrs. Robert Livingston and Mrs. William Handley presided at the tea and coffee urns, and were assisted in serving by Mesdames J. H. Trace, Jr., Herbert Richards, Alfred Houston, Lloyd Hutchinson, Kate Knowles and Misses Dorothy Richards, Eleanor and Alma Houston.

Music at Empress

The musical programme to be played during the dinner hour at the Empress Hotel tomorrow evening under the direction of W. F. Tickle, will include the following numbers: Selection from "Traviata" (Verdi); folk music, "From Italy" (Langey); intermezzo, "Nella" (Delibes); selection, "Count of Luxemburg" (Lehar); waltzes from "The Student Prince" (Romberg); "I Passed By Your Window" (Taylor); "Mosaic Melodies" (Tobani); suite, "Lover in Damascus" (Pindlen).

Leaves for South

Mrs. H. P. Bagley, Foul Bay Road, has left for Santa Monica to spend the winter. Miss Peggy Bagley, who went to Kingston to attend the graduation of her brother, Mr. Jack Bagley, at the Royal Military College, will join her mother in the South.

Returning Today

Mrs. Charles S. Henley, Rockland Avenue, is expected home today from Toronto, where she was called last week by the illness of her father, Mr. W. W. Cumming, who died later.

From Seattle

Mrs. Tom Huntley, Seattle, who is visiting her brother, Mr. Charles Cole, Niagara Street, will leave tomorrow afternoon for her home.

Jubilee Alumnae Will Hold Bazaar

Plans are complete for the annual silver tea and bazaar of the Jubilee Alumnae Association, to be held in the Nurses' Home on Wednesday, from 3 to 6 o'clock. Guests will be welcomed by Mrs. J. H. Russell, the president, and Mr. Edwin Tomlin has consented to declare the bazaar open.

Attractive stalls are being prepared and a musical programme arranged. Mrs. R. Hawkes is general convener, assisted by Mrs. W. Tucker, Mrs. J. M. Hamilton, Mrs. D. McLeod, Mrs. W. Burnett, Mrs. R. Godtel, Mrs. D. Smith and Miss H. Latorell. Mrs. R. J. Jamieson and Miss Vida Shandley will preside at the tea table. Mrs. M. E. Langford, Mrs. G. Bothwell, Miss E. Rose and Miss M. Dickson have charge of the novelty stall, while the home cooking stall is convenered by Mrs. G. M. Duncan and Mrs. W. Leal. The handkerchief stall is in charge of Mrs. W. Stephen and Miss F. Winter, and the candy stall in charge of Mrs. N. McConnell and Miss B. Player.

Several contests have been arranged. In charge of Miss M. Thomas, Miss B. Hickman, Miss B. Putnam, Miss Lind and Mrs. R. Fox.

A Serviceable Winter Coat

—Released by Fashion League.

Golden yellow wool jersey dress is complemented with a beret of bright green suede, tucked and snood trimmed, in this costume. A comfortable hat for the game, and a coat that is wearable for all occasions—mink paws arranged in stripes that give pattern interest to the fur and make it younger, more casual than is usual for mink. A coat like this is wearable with evening clothes as well.

P.T.A. Activities

MARGARET JENKINS

At a recent meeting of the executive of the Margaret Jenkins P.T.A., final plans were made for the bazaar to be held in the auditorium of the school on November 17. The committee in charge reported that Mrs. A. S. Christie had consented to open the bazaar at 2:30 p.m. The stalls will be in charge of the following: Fancywork, Mrs. C. B. Quest and Mrs. G. Anstey; baby wear, Mrs. T. Alnough; cut flowers, Mrs. W. Baylis; home cooking, Mrs. J. Rowe and Mrs. H. L. Smith; candy, Mrs. A. Urwin; display of dressed dolls, senior girls of the school. An added attraction for the children will be the bran tub and fish pond and the "lady with the thousand pockets." Miss Joy Groves will be "the lady."

Mrs. J. Collard will have charge of the soft drinks, and tea will be served in the library, under the supervision of Mrs. T. W. A. Gray. A report regarding the Halloween bonfire plans to be held in conjunction with Sir James Douglas School was given. Tickets of admission will be given to the pupils before Halloween.

ENGAGEMENTS

WEEKS-LITTLE-PERRY

A marriage has been arranged between Myrtle Gwynneth Perry, only daughter of the late Major Perry and Mrs. Gwen Chapman, 1354 Pandora Avenue, and Mr. George Gransden Weeks-Little, only son of Mr. and Mrs. George Little, Vancouver Street, Victoria. The wedding will take place at Christ Church Cathedral on November 1, at 8 p.m.

PAVER-SMITH

The engagement is announced of Iris, younger daughter of Mrs. L. E. Smith, 407 Kings Road, to Mr. Edward Alan Paver, younger son of Mr. and Mrs. H. Paver, 1428 Denman Street. The marriage will take place shortly in Halifax, N.S.

Weddings

BING-HALL

A quiet wedding was solemnized on Thursday evening at 7:30 o'clock in St. John's Church, when Elsie Ida, daughter of Mr. and Mrs. Arthur A. Hall, of Regina, became the bride of Mr. Andrew Henry Bing, of Esquimalt, son of Mr. and Mrs. Robert V. Bing, formerly of Regina. The ceremony was performed by Rev. Canon F. A. P. Chadwick, Miss Cyprus A. Stevens acting as bridesmaid and Mr. John Bing, brother of the groom, as best man. After a short honeymoon, Mr. and Mrs. Bing will make their home in Esquimalt.

PAYNE-WALTON

The marriage of Marion, elder daughter of Mr. and Mrs. T. H. Walton, 580 John Street, and Mr. George Payne, younger son of Mr. and Mrs. P. C. Payne, 224 Richmond Avenue, was quietly solemnized in St. Alban's Church at 8 o'clock last evening by Rev. F. Conley, in a charming floral setting.

The bride was given away by her father, and wore a pretty frock of pale mauve chiffon, and a lace cap trimmed with flowers. She carried a bouquet of carnations and roses. Attending her was her sister, Mrs. Allan Reside, in a pale blue satin gown worn with a lace jacket and matching hat. She carried a sheaf of pink chrysanthemums. Mr. Jack Payne supported his brother. The church organist was in attendance. The wedding party and relatives

Marriage Ceremony Held At St. Matthias' Church

A pretty wedding took place last evening at St. Matthias' Church, Foul Bay, when Rev. Alan Gardiner united in marriage, Anne, only daughter of Major and Mrs. M. Kirkpatrick Crockett, 322 Robertson Street, and Mr. Raymond Skelton Gray, 1st Battalion, Canadian Scottish Regiment, eldest son of Mr. and Mrs. P. O. Gray, of the Quarantine Station, William Head.

THE BRIDE

Given in marriage by her father, the bride looked charming in a dress of Elizabeth blue silk crepe, made with a high neckline in front, the bodice shirred on the shoulders, and the three-quarter-length sleeves given fullness by shirring from the shoulder. She wore a four-strand pearl necklace, the gift of the groom, and a corsage bouquet of orchids. Her hat was of navy blue felt, and her accessories were also navy blue.

She had one attendant, Miss Evelyn Anderson, who wore a dress of vineyard crepe, made with a high neckline and long sleeves, a matching hat and corsage bouquet of gardenias. Mr. Gerald Gray, brother of the groom, was best man. After the service the bridal party was piped out of the church by Piper A. J. MacMillan.

THE RECEPTION

A reception was held at the home of the bride's parents, where Mrs. Kirkpatrick Crockett and Mrs. Gray assisted the bride and groom in receiving the guests, who numbered about 125. The bride's mother wore a smart gown of artichoke green velvet, with a matching velvet turban and a corsage bouquet of bronze and yellow chrysanthemums. Mrs. Gray, mother of the groom, wore a gown of plum colored silk crepe, with sequin trimming, matching hat and a bouquet of Ophelia roses.

Supper was served from a table beautifully decorated with trailing smilax, on which were laid open blooms of Ophelia roses and heather, while four tall ivory tapers in silver holders cast a soft glow on the table appointments. A three-

Alumnae Tea And Bridge Is Successful

Most gratifying were the results of the annual bridge and tea held yesterday afternoon by the St. Joseph's Alumnae Association in the auditorium of the Nurses' Home. There were thirty-eight tables of bridge in progress, and a large number of guests arrived at the tea hour and were welcomed by the president, Mrs. E. E. Corbett.

The prizes were won by Mrs. E. W. Whittington, Mrs. W. S. Moore and Mrs. G. F. Aylward. Mrs. H. E. Ridewood and Mrs. W. H. Moore were in charge of the reservation.

Punishment Is Christian Science Topic

"Everlasting Punishment" will be the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday. The golden text is: "Cast away from you all the transgressions, whereby ye have transgressed, and make you a new heart and a new spirit; for why will ye die, O house of Israel?" (Ezekiel xviii, 31).

Among the citations which comprise the lesson-sermon is the following from the Bible: "For a good tree bringeth not forth corrupt fruit; neither doth a corrupt tree bring forth good fruit" (Luke vi, 43).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health With Key to the Scriptures," by Mary Baker Eddy: "Passions and appetites must end in pain. They are of few days, and full of trouble. Their supposed joys are cheats. Their narrow limits beget their gratifications, and hedge about their achievements with thorns."

What Today Means

"SCORPIO"

If October 28 is your birthday, the best hours for you on this date are from 9:15 to 11:15 a.m.; from 2:15 to 4:15 p.m., and from 7:15 to 9:15 p.m. The danger periods are from 7:15 to 9:15 a.m.; from 8:15 to 7:15 p.m., and from 9:15 to 11:15 p.m.

You may meet several persons totally blind to their own faults, but acutely conscious and critical of defects in the character of their intimates. Panatical ideas will prevent many a zealot from realizing that their family have some claim for their thoughtful consideration and co-operation, so forbearance will be needed this day in dealing with these people. A superabundance of enthusiasm often dulls the sense of responsibility, and this day it might endanger harmonious conditions in the household or office. It will pay to try to review arguments impartially and in a dispassionate manner before reaching a conclusion. Waiting for decisions or people may be very trying on the nerves, so try not to keep anyone in suspense. Married and engaged couples, and those who are in love, should remember that a display of sentiment is generally conducive to an increase in the happiness of the person who is its recipient. If you are a woman and October

28 is your birthday, your poised, well-modulated voice and gracious manner will be the medium through which popularity and success will add materially to your happiness. Develop your own individuality and copy no one else's. If you wish to do the sensible thing. In seeking opinions be sure that you request them only of those people qualified to express them. You probably have a temper that is quick, but easily controlled. Through some game of chance you might be greatly bene-

fited. You ought to make a very clever saleslady, business solicitor, journalist, radio broadcaster, musician or lawyer. You and the man you select for your matrimonial companion ought to be very happy together. The child born on October 28 is usually an energetic youngster who must have something to keep its mind occupied if it is to keep out of mischief. Later on in life this youngster likely will set whatever it sets its heart upon having.

If you are a man and October 28 is your birthday, it might console you, many times, to keep in mind that "nothing happens to anybody which he is not fitted by nature to bear." Keep up your courage and you will triumph over the obstacles that stand in your way to success. As a aviator, botanist, scientist, engineer, author, chemist, actor, agriculturalist, sales promoter or artist your efforts should be well rewarded.

SO KIND:

Fond and fussy, the mother had taken her little boy shopping in the big stores with her. His treat was to be a visit to the toy department. Here an efficient shop assistant tackled her. "Would your little boy like a game of snakes and ladders, madam?" she asked. "Oh," smiled the proud parent, "I know he'd love it—if you've got the time to spare."

SUPPORTERS

Freddie and other small boys were gathered outside the dentist's surgery. Presently the dentist appeared. "Well," he said, "what do you want?" "Please, sir," replied Freddie, "I want a tooth out." "Well," replied the dentist, "what do all these other boys want?" "Oh, they're my pals," said Freddie. "They've paid a penny each to see it done!"

IMPORTANT GAMES ON EASTER GRID SCHEDULE

Black Hawks Are Depending Mostly On Young Players

Youngsters Brought Up to Fill Places of Veterans Expected to Give Chicago Scoring Punch in National Hockey League—Five Veterans Let Go—Defence Is Much Stronger

CHICAGO, Oct. 27 (AP).—Chicago Black Hawks will be an improved hockey club this season, says Manager Paul Thompson, but how much improved he can't say until he has had time to see his rebuilt line-up of veterans and rookies against the National Hockey League competition. Beginning his first full season as manager of the Black Hawks, Thompson has discarded five of the veterans with which the club fell from the Stanley Cup heights in 1938 to seventh and last place last season. "The Hawks' hopes are built mainly on what can be done by the youngsters brought in to fill the veterans' places."

"There's no use trying to kid ourselves, we've got to develop kids and be patient with their mistakes until they come around," Thompson said. "We're going to play the kind of hockey to which youth is adapted, the kind which goes out after scores. People want to see action and we're going to give it to them."

FIVE VETERANS GO
Building on that theory, Thompson disposed of Dandy, Northey, Russ Blinn, Earl Robinson and Bob Gracie, all former members of the

OHIO STATE AND CORNELL CLASH TODAY

Unbeaten and Untied Grid Teams to Meet—Notre Dame Faces Carnegie

NEW YORK, Oct. 27 (AP).—The United States college football campaign, which each week has managed to produce a game of outstanding importance, turns up another "natural" tomorrow in the meeting at Columbus between the unbeaten and untied forces of Ohio State and Cornell.

It brings together two crack representatives of their sections—Ohio State, ranked by Michigan as Big Ten co-favorite, and Cornell, best team the East has produced so far.

Some 60,000 will be in the Buckeye stadium to see this clash, but the day's honors for attendance, once again, are due to Notre Dame. The Irish move into Pittsburgh, stacking their hopes for a perfect season against the embattled Skibos of Carnegie Tech, and a sell-out crowd of better than 65,000 is assured.

Other games attracting interest are Penn at North Carolina, California at Southern California, Tulane at Mississippi, Alabama at Mississippi State and Fordham against Pitt's weakened Panthers.

ROOKIES SPARK BLUES TO WIN

Display Class as Toronto Maple Leafs Continue Hockey Training

SCHUMACHER, Ont., Oct. 27 (CP).—The Blues defeated the Whites 7-4 tonight for their second victory here in two nights in the inter-club pre-season series of the Toronto Maple Leafs of the National Hockey League.

Three rookies, Billy Taylor, Wally Stanowski and Jack Church, sparked the Blues' attack.

Taylor opened the scoring on a pass from Stanowski. Stanowski, who had scored for the Blues in the first period, and Archie Wilder for Indianapolis.

Goals by Taylor and Kelly gave the Whites a 4-1 lead in the second. Drillon netted one of Apple's passes for the Blues' second tally, but Church scored on Kelly's assist, giving the Whites a 5-2 lead at the end of the period.

Bucko McDonald scored unassisted to bring the Blues within striking distance in the third period. The Whites then banged in two, one by Pep Kelly from Church and Sweeney Schirmer and one by "Red" Heron. Apple circled the net and pushed the puck behind Broda to end the scoring.

The teams: Whites—Broda; Church, Stanowski; Taylor, Heron, Don Metz. Subs: Langelle, Kelly, Chamberlain, Schirmer, Kampman.

Blues—Steln, McDonald, Hamilton; Chisholm; Marker, Guldup. Subs: Apple, Drillon, Davidson.

CAGE SQUADS OPEN SEASON HERE TONIGHT

Three Games at Y.M.C.A. Gym as Hoopsters Swing Into Action

With the stage all set and six quintettes ready to swing into action, the curtain will go up this evening on the Victoria Y.M.C.A. basketball league's 1939-40 season at the Y.M.C.A. gymnasium. First curtain call will be at 7 o'clock, with the opening show in three acts; Sunday School League, women's fixture and senior "B" men.

Chinese Students, city senior "B" men's champions, will open their little defence against Champion & White, newcomers to the local basketball scene. Students have brought up a few young players and are reported ready to throw a strong aggregation into the 1939-40 race for the laurels. Champion & White, according to advance reports, have some excellent material, and should prove a good threat for the little won last season by the Chinese Students.

Catholics and Advents, women's quintettes, are billed for action in the second game. Rival squads will trot out some new material and while the former team will rule favorites, they will probably meet with some good opposition from Bob Whyte's proteges.

Sunday School League teams will meet in the curtain raiser at 7 o'clock, with the women's fixture and the senior "B" encounter following at 8 o'clock and 9 o'clock respectively.

Soldiers Enjoy Concert Party

Officers and men of the Canadian Scottish Regiment at Otter Point Camp were entertained on Thursday evening by members of the recently organized "Art a Mo" concert party of the Army and Navy Veterans Club. Appreciation of the men was expressed by the officer commanding, Major E. A. Henderson, and Regimental Sgt.-Major J. Robertson.

Aubrey H. C. Jones acted as master of ceremonies and led the community singing, while those contributing to the programme were: Ted Bragge, tap dancer; G. Ingledew, comic songs; A. Stafford, cornet solo; Cleaver Wilson, comedian; J. McAllister and W. Fletcher, vocal selections; A. Jacklin and G. Ford, comedians; Mark Copinger, humorous commentator; E. Chapple, trombonist; and Cecil Boulter, piano accompanist. Kim Campbell was in charge of the spotlight.

ESQUIMALT'S NEW THEATRE OPENS SOON

Building Completely Modernized Will Be Known As New Cadet Theatre

For some weeks past the work of renovation and redecoration of the premises formerly known as the Esquimalt Theatre, on Esquimalt Road, has been going steadily forward. On Monday, November 6, the building will open as the New Cadet Theatre, fully modern in every respect.

Under the direction of S. B. Kennedy, owner and manager, the building has been completely remodelled. The front has been modernized, and a big neon sign, carrying the name of the theatre, will be raised. Inside, new plush seats have been installed and up-to-date heating and air-conditioning insures absolute comfort for the patrons. New type projectors and sound equipment are also to be found.

It is planned to present a double feature bill to be changed twice a week. Matinees will be held on Wednesdays and Saturdays, and special midnight shows will be put on. There are also all facilities for use of the stage.

The official opening will take place on Monday week, when Reeve Alex Lockley will officiate. The first bill to be presented will be "Donna DuRbin in 'Three Smart Girls Grow Up'" and also Mickey Rooney in "Out West With the Hardys."

Mr. Kennedy comes here from West Selkirk, Manitoba, where he was in the theatre business for some eighteen years. In the last war he served with the R.A.F. and is a keen sportsman, having coached local hockey teams while on the practice. He is now a resident here, with his family.

PICTURE TELLS STORY OF FILMS

"Hollywood Cavalcade" Stars Alice Faye and Don Ameche in Capitol Attraction

Mack Sennett bathing beauties, Keystone Cops, custard-pie comedy and all the other happy memories of the movies have been staged anew and photographed in Technicolor for Darryl F. Zanuck's magnificent production of "Hollywood Cavalcade" starring Alice Faye and Don Ameche, which will open today at the Capitol Theatre.

Great stars of today and great personalities of yesterday tell the heart-warming story of the men and women who conquered the entertainment world in this grand 20th Century-Fox film.

Featured are J. Edward Bromberg, Alan Curtis, Stuart Erwin, Jed Prouty, Buster Keaton, Donald Meck, George O'Neil and Eddie Collins, under the able direction of Irving Cummings.

OAK BAY With Irene Dunne and Fred MacMurray co-starred, and a supporting cast that includes Charlie Ruggles, William Collier, Sr., Billy Cook, and Marion Martin, Paramount's poignant heart drama, "Invitation to Happiness," which will play at the Oak Bay Theatre today, tells a heart-searching story of a society girl who falls in love with and marries a prize fighter in the person of Fred MacMurray.

ATLAS Besides the Dead End Kids in "Angels Wash Their Faces," showing for the last times today at the Atlas Theatre, the cast includes such stellar names as Ann Sheridan, Royald Reagan, Bonita Granville, Frankie Thomas and Eduardo Gammell. Other supporting performers are

CONTEST WILL BE CONDUCTED

Junior Chamber of Commerce to Sponsor Residential Lighting Project

Due to a number of requests to repeat the residential lighting contest, organized by the Junior Chamber of Commerce, a committee, headed by W. C. Mearns, is already preparing plans for the third annual event.

It was pointed out that, because of world conditions, transportation companies were, expecting increased travel to the Pacific Coast this year, and the Junior Chamber believed special efforts should be made to attract visitors and to augment the attractions of Victoria.

The committee emphasized the fact that the venture was not a commercial one, donations being solicited for the purpose of purchasing prizes and to cover ordinary expenditures in connection with the contest.

Municipalities of Greater Victoria are represented in the competition and, in the past, districts have contributed many beautiful entries. Last year's contest was an outstanding success, hundreds of automobiles participating in the monster caravan, organized to make a tour past the illuminated homes.

SENATE VOTES FOR REPEAL OF EMBARGO

enter "combat" zones to be demarcated by the President and prohibits American citizens from traveling on belligerent ships.

NOTHING MORE TO SAY

Four weeks of debate had so fully covered the issue of the embargo, that when the Senate reached the point at which it was confronted with what Senator Clegg (Democrat, Missouri) called the "naked issue of whether we should have an embargo or not," the legislators finally found that they had nothing more to say.

The vote on a real, presented by Clegg, in the form of an amendment to insert an embargo into the present bill, showed sixty senators for repeal and thirty-three against it. However, three of those who voted to retain the embargo, although braver on that issue, felt obliged to support the bill on final passage. Thus, the vote on final passage was 63 to 30.

Three senators were absent, but their position was announced by colleagues. Of them, Senator Glass (Democrat, Virginia), and Senator Ashurst (Democrat, Arizona), were for the bill, and Senator Bone (Democrat, Washington), was against. Counting all the Senate, the final vote was 65 to 31.

AMENDMENTS KILLED

For the most part the final day of the debate was a quiet and expeditious killing of one opposition amendment after another, mostly by the approximate two-to-one majority that showed on the final vote.

The measure will not have to start from scratch in the House, since that chamber passed last session a neutrality bill containing a modified arms embargo. The Senate measure goes to the House as a substitute for that bill and so the House procedure could be considerably shortened.

Much oratory and much voting on amendments preceded the final vote. By a vote of 73 to 17 the Chamber rejected an effort by Senator Robert La Follette (Progressive, Wisconsin), to attach to the bill a rider requiring that before Congress could vote a declaration of war there must first be a national advisory referendum on the question.

Not even standing room was available in the galleries tonight. And the floor, the senators themselves, contrary to their usual habits, maintained an almost full attendance.

The City of Flint, which left Murrumbidgee, Soviet Russian port, yesterday, was reported in Norwegian waters off the country's northernmost shores tonight en route to Germany.

GERMAN CREW IN CHARGE

WASHINGTON, Oct. 27 (AP)—Russia informed United States officials tonight that she had acted according to international law and the "obligations of a neutral" in ordering the captured American freighter City of Flint to leave her crew in charge, the American prize crew in charge.

Laurence A. Steinhardt, United States Ambassador, who relayed the message from Moscow, said that he had been informed that of the vessel had been ordered out of Murrumbidgee in the "same status as entered," that is, with the prize crew in charge, the American crew on board, and the cargo intact.

The United States had demanded possession of the American vessel, which had been seized by a German raider as a contraband carrier and taken to Murrumbidgee. However, Vladimir Potemkin, Assistant Commissioner of Foreign Affairs, told Steinhardt today that to accede to the American demand "would be an unequal act."

The American Ambassador advised that he had reiterated "my indignation at the lack of co-operation by the Soviet Government in withholding information from me while issuing communications with respect to the City of Flint through the medium of the Tass Agency."

Potemkin replied that Tass was an official agency of the Soviet Government, and that it was the custom of his Government to make announcements through it.

It was after the formal demand for return of the vessel and her cargo, Steinhardt said, that Potemkin told him it had been decided "to send her out in the same status as she had entered one of the ports."

Escapes Death in Hunting Accident

Jack Falconer, 208 Superior Street, was in the Royal Jubilee Hospital yesterday suffering from shot wounds received in a hunting accident near Shawanigan Lake on Thursday. He is being attended by Dr. E. L. McNiven.

Falconer was struck by two shots from the gun of his hunting companion, Ernest Smith, Canterbury Avenue, Saanich, who said he was firing at a deer between himself and Falconer.

One pellet entered the left side of the abdomen and, missing vital arteries and nerves, emerged behind Falconer's watch pocket. The other entered his left side near the hip and, moving across the abdomen, lodged in his right leg. Dr. McNiven stated that the first pellet came within an inch of causing serious, if not fatal, injury.

Senate's Action Helps Rally in New York Mart

NEW YORK, Oct. 27 (CP).—Selected stocks, aircraft and rails staged a late rally today as the Senate voted its approval of repeal of the arms embargo, and some issues not only recovered earlier losses but in addition posted small net gains.

Shares continued to ignore the steady flow of encouraging domestic business news, including more favorable third quarter corporation earnings reports and heavier dividend-disbursements. Traders held the grip of European news, including the possibility of new peace moves, of little immediate influence on securities trends.

Then, late in the session came the news the Senate had voted to repeal the arms embargo on steel, aircraft and rails. Traders held their breath and here and there establishing small gains.

Closing higher on the day were Douglas Aircraft, Glenn Martin, North American Aviation, Bendix, American Airlines, New York Central, Pennsylvania Railroad, Texas Corp., Kroger Grocery, Montgomery Ward and Brooklyn Union Gas.

The Associated Press average of sixty representative stocks finished down 2 at 33.3.

Transactions totaled 1,062,320 shares, compared with 1,678,600 Thursday.

United States Government bonds extended yesterday's irregular decline with new losses today ranging from 1-3/4 to 15-3/4. Treasury 2's of '47 countered the main trend with a closing gain of 1/4.

Loans of American Copper, Commonwealth Edison and International Hydro-Electric finished moderately higher. Canadian Pacific issues continued a sharp rally.

Rome 6 1/2's dropped 4 1/8 to 55 and Italian Government 7's also at 64 1/4. Also substantially lower were British 6 1/2's, Canada 3 1/4's of '61 and Japan 6 1/2's.

INTERESTING WORK IS DONE BY SHANTYMEN'S WEST COAST MISSION

At a meeting of the Shantymen's Christian Association, held in the Y.M.C.A. Hall on Thursday night, gratifying reports were received as to the work that is in progress under this worthy organization on the West Coast of Vancouver Island.

Dr. H. A. McLean, of Nootka Mission, gave an interesting account of the activities at that point. A ten-bed unit is being built at Esperanza and the medical and religious work being done there, together with the Indian work, was also referred to as most important and of advantage to the natives.

The new hospital is being outfitted for all emergencies. It includes Swedish baths and massage facilities. A comfortable chapel and school is connected with the work.

W. B. Fisher presided, and Rev. Dr. A. S. Imrie and Rev. J. Mackie Niven participated in the programme. Mrs. H. A. McLean gave an interesting talk on women's work at the centre. J. S. Whitting superintendent of the Shantymen's work, closed with praise for the work going on.

CRIME TEARS ON CAROL WELLS

CHAPTER XXX
Sutton next called on Everett Ames.

"As to last evening, Mr. Ames," he began, "you went upstairs about the time Mr. Madison and Mr. Sheldon did?"

"Yes, I walked up with Tom, but we didn't stop in the hall. We went to our rooms at once. My room is on the other side of the hall, it's a long cross-hall, and I got bed as quickly as I could, for I knew I'd have a lot of work to do today, letters to be written, and plans to be made, for I knew Mr. Madison was going to make a new will, and then there was the whole matter of the village improvement, and what was going to happen to that. As it is, I have plenty of unfinished work and if you can excuse me—"

"Yes, yes, go along, Mr. Ames. If I want you further I'll let you know. Now I'd like to see the man who first saw Mr. Madison this morning."

Ekanah was summoned, and close behind him, walked Hetty, his wife. She half expected to be sent away, but Sutton made no objection to her presence. The pair sat down stiffly, in two straight chairs. Sutton addressed Ekanah first, saying:

"When did you last see Mr. Madison alive?"

Ekanah stared. The question was so different from what he had expected, it fair took his breath away. He opened his mouth two or three times, but shut it each time, without a sound. Nonchalantly, Hetty answered for him.

"He's kinda dumb sir," she said, apologetically. "He seen Mr. Madison last, when he was serving refreshments in here, sir, right after Mr. Madison having told he was betokened to the stage lady."

"Miss Verne?"

"Yes, sir. They had champagne and then extra fancy sandwiches, which that Wilkins is a dabster at makin' for these ever was one!"

"Thank you, Mrs. Garrison. Be quiet, now, while I talk to your husband."

Hetty was nobody's fool, and she realized she had spoken out of turn. Her cheeks reddened, and she turned one face after another, until Corneille caught her eye. Then Corneille shook her head, with a special shake that Hetty well understood, and immediately obeyed.

Now, Mr. Garrison, why did you get into Mr. Madison's room by means of a ladder? There was no way to get in otherwise?"

"Not a chance, sir. I've lived here many years, and I know all about the doors and windows, sir. That I do. But Mr. Madison had a mortal fear of burglars. He looked him self in his room. So I climb the ladder, sir. And when I see him lyin' so quiet like in his bed, at his past eight, I was sure somethin' was the matter with him. I only thought he was sick or the like of that, but never before and he left today it earned in the three months ended September 30 a profit of \$6,332.713 for the common stock, equal to 15 cents a share. This compared with profit of \$3,073.133 for the common stock in the 1938 third quarter, equal to 7 cents a share, and with \$43,520.048 or \$1.06 a share, in the second quarter of this year."

"No, sir, a glass-cutter, and things."

"What did you cut the window with? Your jackknife?"

"No, sir, a glass-cutter, and things."

Little Stories for Bedtime

Peter Saves the Eggs

By THORNTON W. BURGESS

Peter Rabbit is forever doing unexpected things. Often they are as unexpected to him as to any one else. You see he is in-pull-ive. That means that he does things right the very instant he thinks of them without even wondering what the result may be.

Now, when Uncle Billy Possum asked Peter if he had seen Mrs. Slow Poke the Box Turtle digging anywhere about that particular place, Peter couldn't say no and tell an untruth. Of course, he didn't want to do that. Certainly not. Peter intends to always be truthful. That question put Peter in a regular fix. It surely did. You see, he had seen Mrs. Slow Poke digging. In fact, he knew exactly where those precious eggs of hers were buried, and he knew that it was those eggs Uncle Billy was interested in.

So Peter hesitated over his reply. Uncle Billy looked at him shrewdly and there was a twinkle in his eyes as he said, "So Mrs. Slow Poke has been digging about here. You don't have to tell me that, Peter, because you have told me already."

"No such thing! I haven't told you anything of the kind!" spluttered Peter indignantly. "I haven't said a single word."

"You don't have to," chuckled Uncle Billy, continuing his search for the place where Mrs. Slow Poke had been digging. "There are no ways of telling things than with the tongue, Brer Rabbit. Your face done tell me all Ah want to know 'cept the exact place where Mrs. Slow Poke done hide those eggs. You knows just where they are. Brer Rabbit. Your face tells me that. Now you may just as well tell me where they are and save an old friend and neighbor a lot of trouble. You see Ah done be bound to find 'em anyway."

"I'm not going to tell you a single thing, not one," declared Peter. "You may be an old friend and neighbor, but that is no reason why I should bring trouble to another friend and neighbor. If you think I know so much about Mrs. Slow Poke's affairs go ahead and hunt for her eggs. My guess is that you won't find any around here."

"How is it you were so spry getting in the window?"

Ekanah was unmoved by Sutton's insinuation. He gazed at him, calmly, and said, "Why, I just know that since Mr. Madison's hall door was locked, there was no other way to get in his room, 'cept through a window, which I done."

"Then what did you do, when you got inside?"

"I looked at him good, and I saw he was dead."

"Did you touch him?"

"I laid my hand on his hand, and it was icy cold."

"Oh, then I told my wife to tell Miss Madison, and she would give orders."

"Ekanah, you say that nobody could get into Mr. Madison's room by any doors? It had to be by breaking a window?"

"I did, yes, sir."

"Then how did the murderer get in?"

"There's no answer to that, sir, except that it was a miracle."

"Are the outside doors to the house all locked at night?"

"Tight as a drum, sir. I look after that myself. Wilkins, he goes around and locks everything, doors, and windows, but I traipse after him, makin' sure he done it all proper."

"You did this last night?"

"I sure did, Mr. Madison was the last one up, and after he went up, I flew around, me and Wilkins, and locked everything that would lock."

"Then it would be difficult for anyone to get into the house at all?"

"(To Be Continued.)"

"He's kinda dumb sir," she said, apologetically. "He seen Mr. Madison last, when he was serving refreshments in here, sir, right after Mr. Madison having told he was betokened to the stage lady."

That Body of Yours JAMES W. BARTON, M.D.

SOME SYMPTOMS OF EARLY GOITRE

When we were examining recruits for overseas service and found the heart rapid, the recruit was instructed to sit down for a few minutes and read the daily paper. If heart rate remained rapid and

early goitre was suspected, he was instructed to hold his hands well in front in line with shoulders with fingers spread. This was to see if there were much trembling of the hands, because nervousness is an outstanding symptom of goitre.

Another test was to have him follow an object moving up and down to see if eyelids followed the eyeball promptly. Where there is exophthalmia—protruding eyeballs—another symptom of goitre, the eyelids do not readily follow the eye-

ball. He was also asked about his sleep and digestion as there is usually sleeplessness and indigestion present in goitre.

Today physicians are finding that there are other nervous symptoms besides the trembling, sleeplessness, and indigestion; in fact, the nervous symptoms may be almost mental symptoms.

Among these symptoms there is restlessness with a continuous drive to hurry and with nervous haste in all activities. Even more character-

istic of goitre is the so-called "tension of expectancy" regarding everything that has to be done. All the mental and emotional processes are in a tensed or nervous condition—everything said and done in the greatest haste. The emotions are accompanied by and interwoven with strong physical sensations that is, the patient wears all his emotions in his face and body.

I believe we have all seen these tense, thin, excitable, exacting, hard-working individuals who seem to be

"wound up" like a tight spring. The cause of this tightness is the increased metabolism—rate at which the body processes work—due to an overactive thyroid gland pouring too much thyroid juice into the blood.

It would be wise, therefore, to consult your physician about a metabolism test if you or one of your family is getting more nervous, more tensed, more irritable, lacking Carr, P.O. Box 184, Vancouver, and appetite and losing sleep. These symptoms may be due to early

goitre which is often corrected by frequent rest periods.

PLAN REUNION

The Whizbangs' Association, 2nd C.M.R. Battalion, will hold its twenty-first annual reunion at 7 p.m. on November 11, Armistice night, in the Hotel Georgia, Vancouver. Tickets obtainable from W. H. Carr, P.O. Box 184, Vancouver, and all members are asked to advise him of their intention to attend.
